## Community Outreach Since April 1, 2010

(Note: Reduced communication efforts in May and June due to budget constraints)

### Public Presentations

- Rio Vista Rotary Club 25 people. - brought Liz Burton - better answers to the questions.
- Trilogy Community Meeting with community residents - 15 people only. WESTCARB is really good.

### Stakeholder Meetings

- Solano County Supervisors Reagan, Vasquez, Kondylis and Seifert
- Solano County Agricultural Commissioner Jim Allan
- Solano County Economic Development Corporation
- California Energy Commission staff members Jim Boyd, Mike Gravely and Adam Gottlieb
- Assembly member Yamada
- Rio Vista Chamber of Commerce Executive Director Mary Peinado
- Local residents Krista Hays and Kathy Dean

Pro-Supervisors  
Sperting  
Vasquez  
Reagan.

Invited stakeholders to attend the Carbon Capture & Sequestration Public Workshop hosted by EDF and NRDC; attended workshop

### Community Meetings Attended

- Rio Vista City Council
- Solano County Board of Supervisors
- Rio Vista Chamber's "Wake Up, Rio Vista!" with Solano Transportation Authority
- California Highway 12 Association 35-40 people.

Met w/ EDF + NRDC

### Monitoring

- Media monitoring (e.g., Rio Vista News Herald cartoon, editorial on Rio Vista Advocates.com, DOE announcement)
- Community information response (e.g., e-mail box query from Cadmus Group, correspondence with civic groups)

\* Kogler is an outlier  
General people - on the fence. Not invading their property.  
- Dumping from Contra Costa → Solano.

# attendees each event ~

# residents in community

general feeling - are these outliers or widespread concerns

⇒ Library - Newspaper

Representatives being sent by WESTCARB

• Rio Vista Gazette

• Vacaville.

• Repository?

- Beyer from the Lab.

- Permits - Solano County → most interest. County Supervisors not interested

- Rio Vista in bankruptcy - landowner Trilogy - did not work. built out sewer system so now bankrupt.
